About the GSP Gauteng Club

We are a KUSA (Kennel Union of South Africa) affiliated Breed Club for GSPs, founded to bring together all manner of GSP-enthusiasts, to learn from each other and enjoy the GSP lifestyle.

Through education, awareness, and assistance from experienced trainers/owners, we aim to uphold the GSP breed standard, as well as encourage people to make the most out of owning one of these extraordinary hunting dogs.

Our Club welcomes all GSPs and their owners, and our events cater for a variety of interests.

Through our Club, GSP-enthusiasts can meet like-minded individuals and learn from experienced GSP owners and trainers. Passionate and experienced individuals may enjoy the opportunity to teach younger, less experienced owners or potential owners.

The Club provides access to information about GSP-friendly walk venues, training a GSP, owning and handling a GSP, responsible pet ownership, and adopting or buying a GSP.
